

## **MTERA Energy Champion of the Year Award Nomination**

**Nomination Questions:** *To submit an official nomination, you will need to complete the nomination form [online](#). This document outlines the questions you will be expected to answer to make a nomination.*

1. Nominees Info: Name, title, position, organization/Tribe, email address.
2. Describe the specific contributions the nominee made to tribal clean energy development in the past year. *(Focus on achievements between July 2025 - July 2026)*
3. Provide quantifiable results or measurable impacts of the nominee's work. *(Include numbers, percentages, project sizes, Tribal communities served, etc.)*
4. How has the nominee demonstrated exceptional leadership, innovation, or service in the past year?
5. Describe how the nominee's work has positively impacted tribal communities or advanced clean energy projects on tribal lands.
6. How has the nominee's work strengthened tribal energy sovereignty?
7. If applicable, describe how the nominee's work respects tribal culture and self-determination.
8. Include any additional supporting information or achievements you'd like the selection committee to consider.
